

## CHRISTMAS GLASS CAKES

ORGANIZE INGREDIENTS AND UTENSILS

### INGREDIENTS:

- 1 store-bought pound cake, cut horizontally
- 1 tub vanilla frosting
- food coloring (optional)
- decorative sprinkles
- decorative candy, such as marshmallows, crushed candy canes, M&M's
- 6-8 cookies, broken into pieces

### UTENSILS:

- 3 short, round glasses
- Round biscuit cutters
- 2 disposable pastry bags, or freezer plastic bag (for the frosting)
- Christmas cupcake toppers, for decoration (optional)

## **INSTRUCTIONS:**

1. Cut rounds out of cake layers.
2. Start with a layer of cake, gently press it down the bottom of the glass.
3. Using a disposable pastry bag, with a small opening cut out, make small dots with the frosting until an even layer is formed.
4. Next, sprinkle on your chosen candy, making sure some of them are placed along the sides so they are visible.
5. Layer the second cake round, another layer of frosting, and this time top with broken cookie pieces and decorative sprinkles.
6. For a final decoration, a small swirl of frosting with a cupcake topper in the center.
