

PIÑATA CUPCAKES

ORGANIZE INGREDIENTS AND UTENSILS

INGREDIENTS:

- 6 vanilla cupcakes
- ½ cup of assorted sprinkles, to fill cupcakes
- assorted sprinkles, for decorating
- vanilla frosting

UTENSILS:

- 1 M tip
- disposable piping bags
- cupcake corer or sharp knife
- 1 small bowl for the assorted sprinkles
- 1 teaspoon to mix and serve the sprinkles

INSTRUCTIONS:

1. When cupcakes are ready, set them on your work surface.
2. Using a cupcake corer (or a sharp knife) cut a circle/hole into the center of the cupcake to create a little pocket about 1 inch deep. This piece will be removed. Set it aside as you will use it later on.
3. Place about 1 full teaspoon of assorted sprinkles inside the cupcake.
4. Fit the pieces you had set aside on top of the sprinkle filling. You might need to cut off a bit on the end to get it to fit nicely. Press down gently. Repeat with all cupcakes.
5. Using a piping bag, pipe a swirl or a star on top of each cupcake and decorate with remaining sprinkles.
