

## SNOWMAN CUPCAKES

ORGANIZE INGREDIENTS AND UTENSILS

### INGREDIENTS:

- Vanilla or Chocolate Cupcakes
- Vainilla Frosting
- Shredded Coconut
- Chocolate chips
- Butterscotch chips
- Chocolate candy

### UTENSILS:

- 1 cereal bowl for the shredded coconut
- 3 small bowls for the chocolate chips, butterscotch chips and the chocolate candy.
- Offset spatula or Table knife, to spread the frosting

## INSTRUCTIONS:

1. Spread enough frosting on top of each cupcake so its completely covered.
2. In a cereal bowl, add the shredded coconut and have both the chocolate and butterscotch chips nearby.
3. Taking the cupcake from its base, dip into the coconut so its frosted top is completely covered. Do it with a little pressure, moving the cupcake both forward and backward, so the coconut sticks to the frosting,
4. Place a butterscotch chip or half or an orange chocolate candy on the middle as the nose, then place two chips on top as the eyes, and finally add three or four chips for the mouth.
