

# The Foodies' Kitchen

## Cupcake Wrappers

Print on cardstock paper: After cutting them, fold them so the edges overlap. Secure them with a small piece of tape.

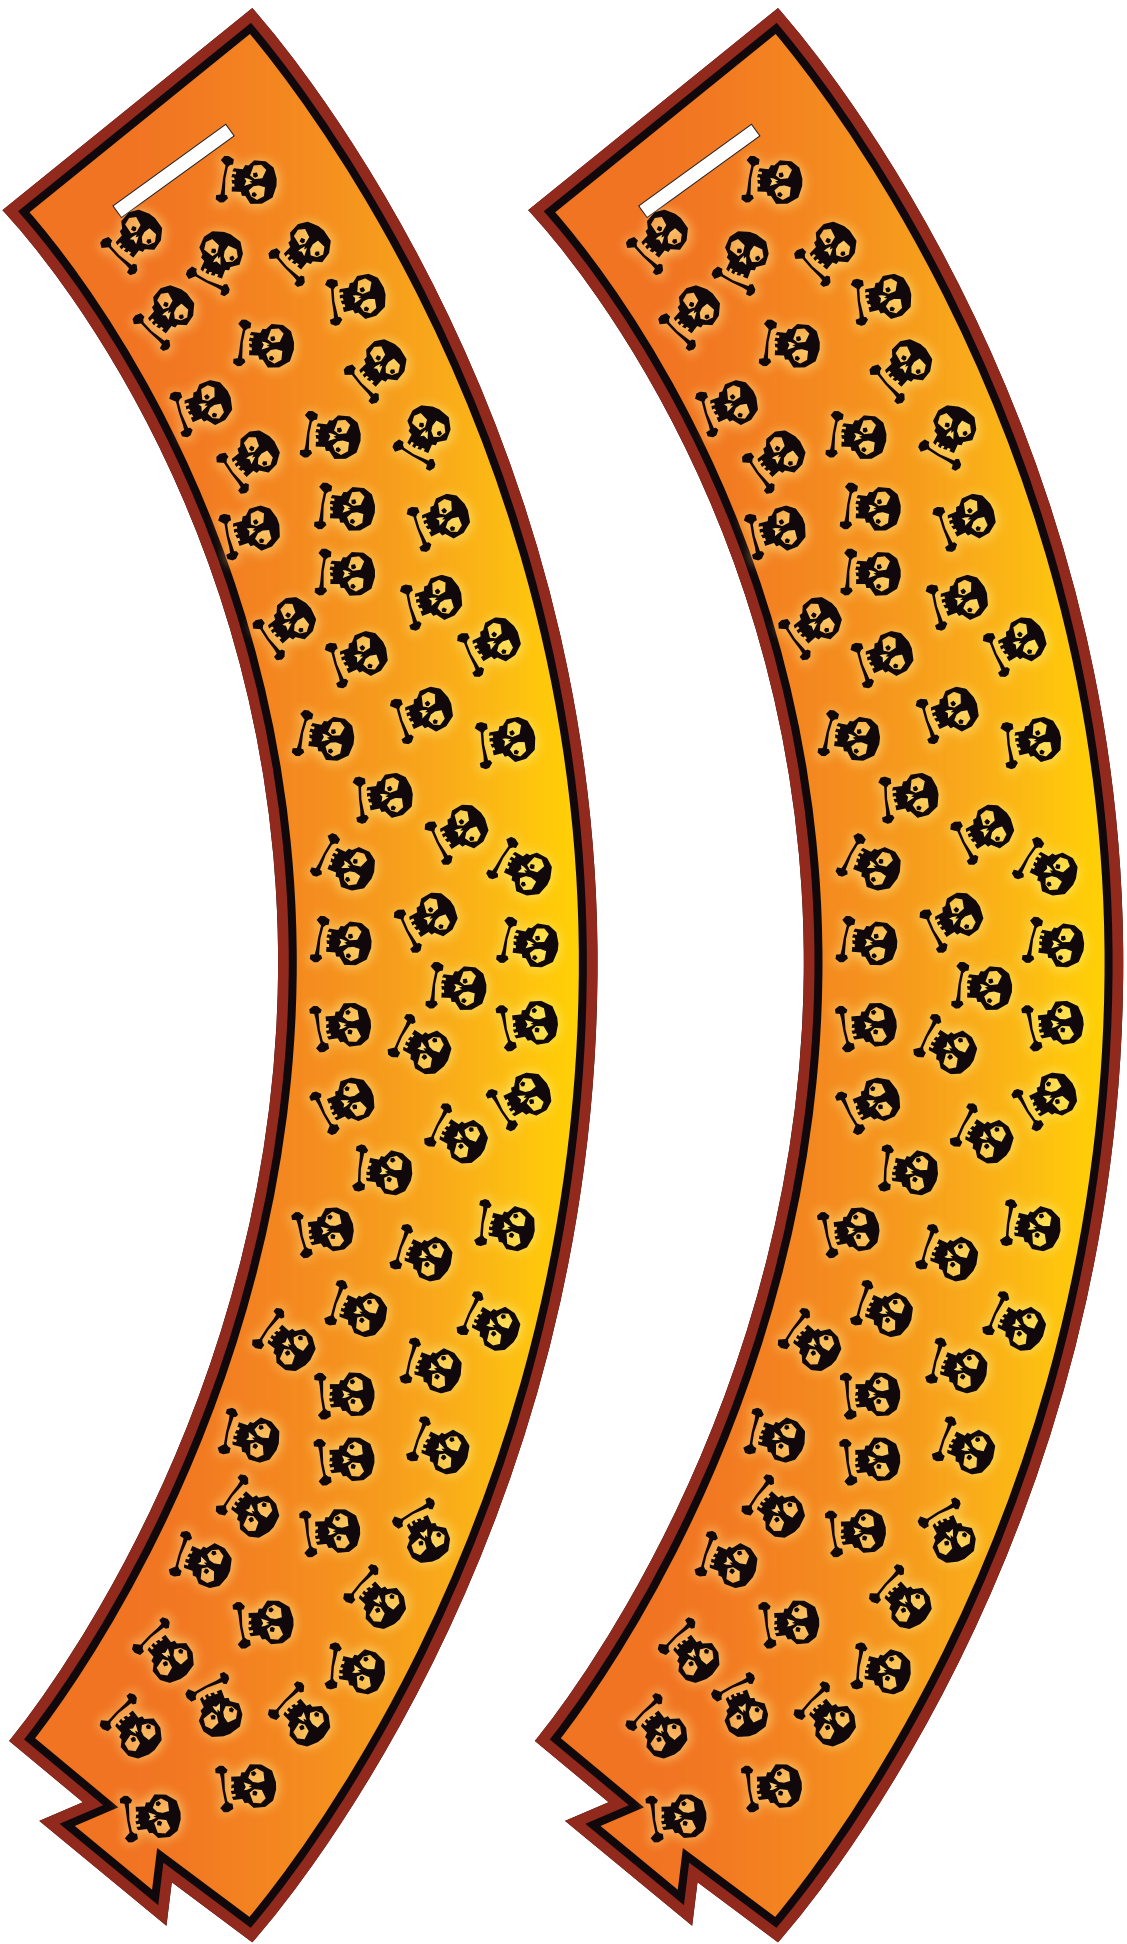

Print at 100% (no scaling) or it will make smaller toppers.

# The Foodies' Kitchen

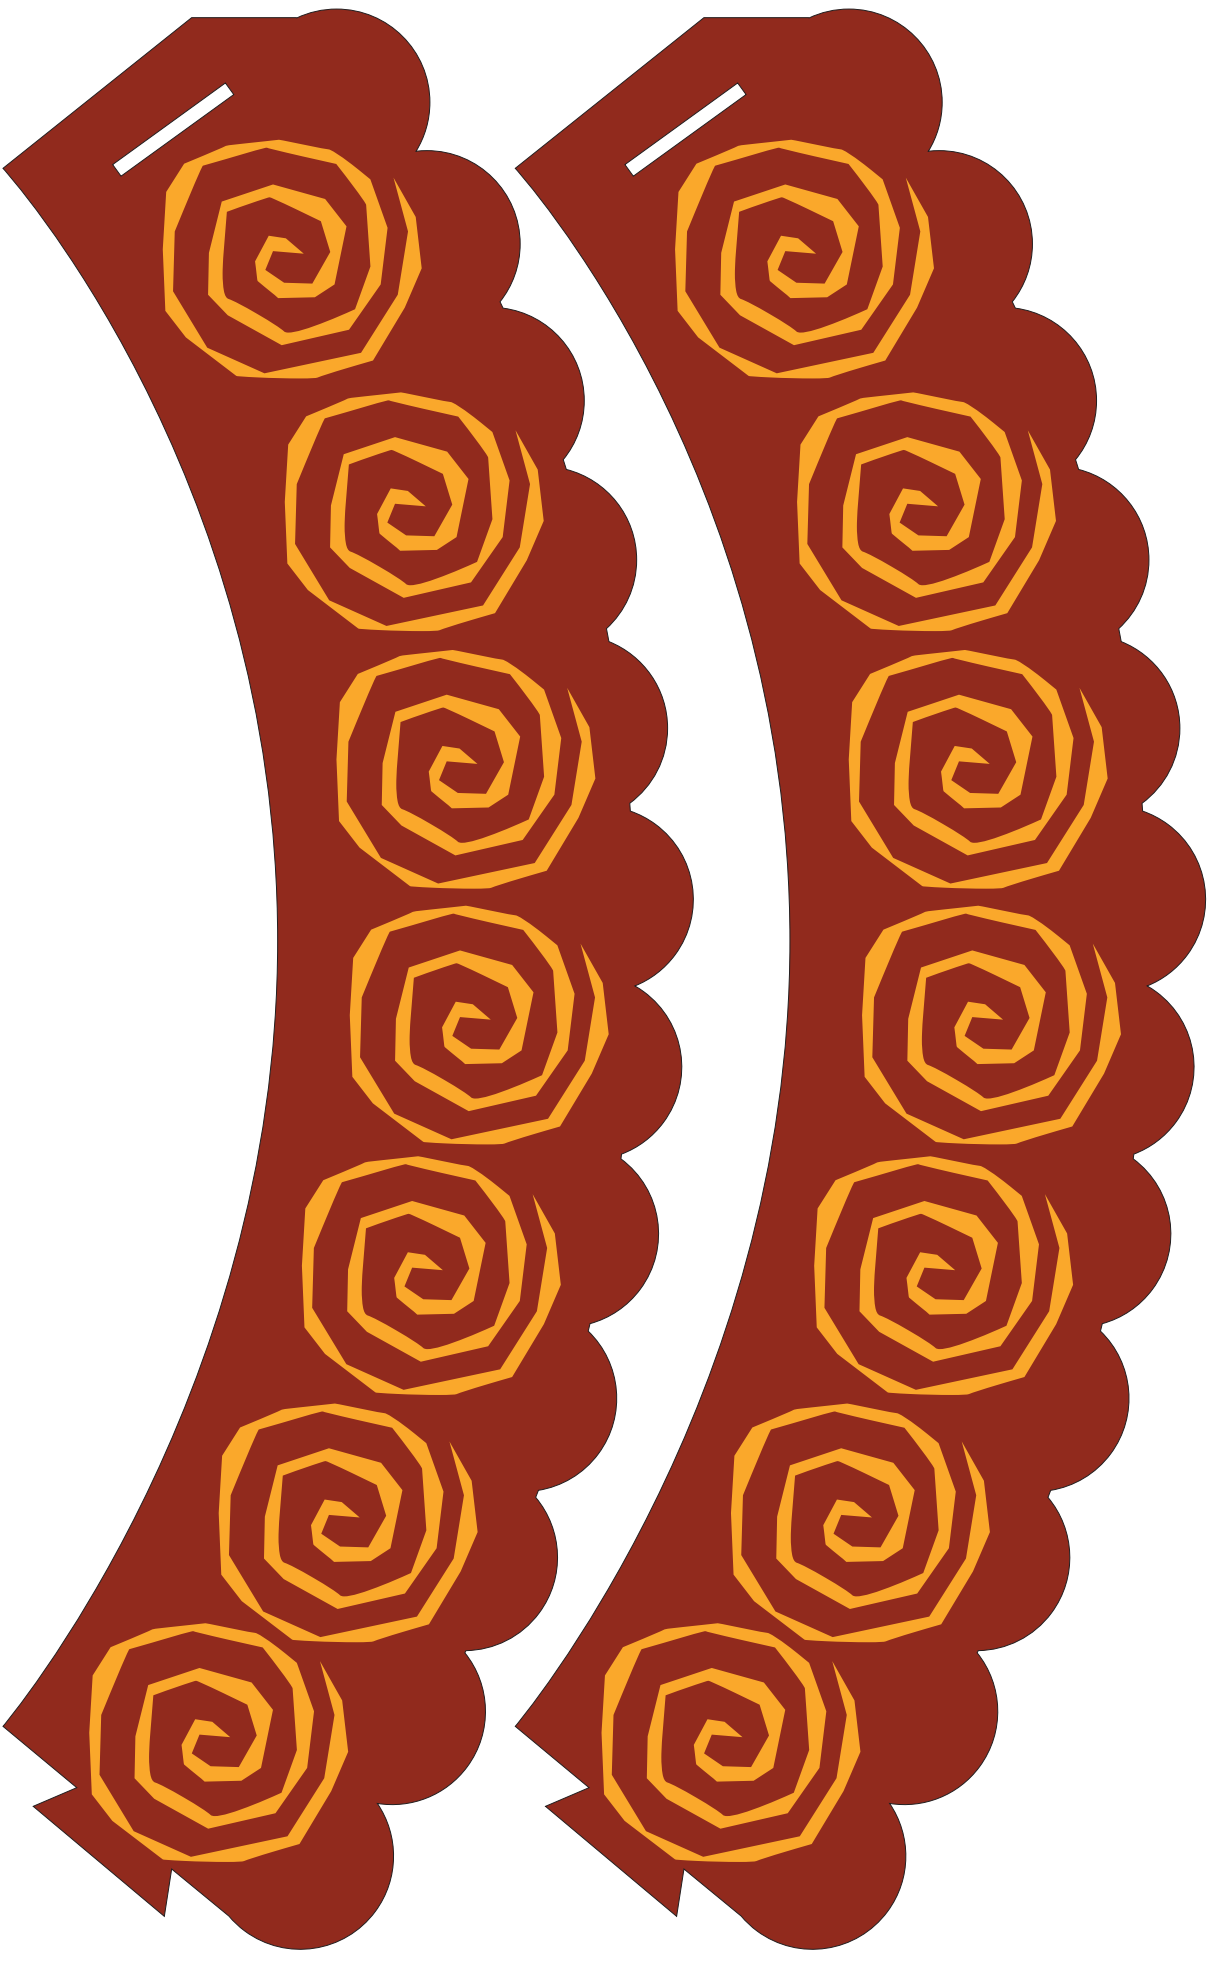

## Cupcake Wrappers

Print on cardstock paper: After cutting them, fold them so the tab on the right side can slip into the left side line (cut with an exacto knife).

Print at 100% (no scaling) or it will make smaller toppers.
